Dear Sir:-

Referring to a conversation with
your Mr. Smith regarding Ore Sacks,
I beg to say that if I remember rightly
he intimated that you would be buying
about September 1st.

I take the liberty of quoting as
follows for the present :-

First Quality Twilled Jute Ore Sack 14"x26"
weight 16oz, O. W. Sevon ----- 4⁷/₈"

F. O. B. Montreal

Freight will be about \$1.60 per
100lbs. but I think you will be able
to do better than this on the spot, but
if you wished, I would also arrange the
matter of Freight.

Yours very truly,
A. H. B. Macgowan,

Sandou, B. C.

Dear Sir:-

I have to acknowledge and thank you for your favor of the 4th inst. ordering 25,000 Oresacks, and beg to say that same will have prompt and careful attention.

Regarding the stamping of "Reco" on 15,000, I will endeavour to get the Co. to do this free as you suggest, but it is customary to make a small charge per 1000 for doing the work.

Since quoting you on Oresacks F. O. B. Montreal @ $4\frac{7}{8}$, I have received a stock of almost identical Bags at Vancouver which I can quote at $5\frac{2}{5}$, F. O. B. Vancouver or $6\frac{1}{4}$ Delivered at Sandou.

These are a little cheaper than I had when I quoted you at first, but are just as good, differing a little in

appearance only, they are tar sewn which is probably a point of superiority

I am sending you a sample from Vancouver Stock by today's mail, and should you wish to have them substituted for your original please wire at my expense on receipt of this

I could not have these stamped "Reco" as they are baled-up, but will forward you a stencil should you decide to make the change.

I think you are wise in placing an order at the present time as I am advised by the Bag Co. that we may expect a sharp advance at any moment.

Again thanking you for your order
I remain,

Yours faithfully,
A. H. B. Macgowan,

Sandon, B. C.

Gentlemen:-

Herewith please find invoice of barload of Oresacks, which I trust you will find in order

They run somewhat heavier than I anticipated, being over 1603 each, making the weight of the car a good deal in excess of the billed weight of 25500[#], but I made a special arrangement that by prepaying the freight and charges it would be accepted at 28500[#].

I would not have accompanied Draft with B/L had it not been that this particular lot of Bags was held by the Bank of B. C. and they required the papers to be forwarded in this way, through their Brokers Messrs Wm Baird & Co. of this City. I hope the small shipment of Fire Brick and clay proved satisfactory.

Yours very truly,

A. J. B. Macgowan
