

Amy and Annie Eagen

The 1892 West Kootenay tax assessment (held by Kootenay Lake archives) lists Miss Annie Egan as owner of property 165, a home in New Denver at Lot 10, Block 13. Today this is apparently a vacant lot with trees owned by Anne Uphill. M. Egan owned property 166, also a home in New Denver, at Lot 5, Block 14.

Question History:

Patron: I'm wondering whether the 1914 Seattle civic directory has a listing for an Annie and/or Amie and/or Mamie Egan. Alternately, if there is a criss-cross directory for that year, I would like to know who lived at 404-901 6th Ave.
