J. M. Harris Esq.
Tandon, B. C.
Dear Sir.

I beg to inform you that I am getting up sample boxes containing about a dozen specimens of ore from the leading mines of the Slovan for distribution in the East & South, giving location amount of ore shipped, value, & other data necessary to enable an outsider to form a correct opinion of the possibilities of this district as a field for investment.

The boxes will be manufactured out of the different varieties of wood peculiar to this province & finished in a first class manner.

My object in writing you in regard to this matter is, what will you charge for about 150 lbs. of your ore delivered at your shipping point.

Waiting an early reply I beg to remain,
Yours truly

Will H. Reynolds

TELEGRAM.

TIME FIELD _____ M.

The exact sending and receiving time, initials of sending and receiving operator, and signal of office with which business is done, must be plainly noted on face of message.

After transmitting telegrams (that in their judgment, would have served the Company's interest if sent by train mail) operators are required to attach a copy of them to T. D. Form 157, and forward the same to the Division Chief Operator.
