My dear John:

Yours of the 10th from Corvair received. I am very much pleased to hear that you are satisfied with the Smelter people. Just as I mentioned to you last spring, the only trick the Smelter people can play on us is in the sampling. I am glad to hear that it ran as high as it did and I trust when the sample comes through, it will come out to your satisfaction or better.

It is customary for the Smelter people to name three reputable assay to umpire, giving the choice of one to you and I would suggest Mr. Bulinga. I forgot whether he is from Deer or Black Lake - however I believe they are all good or have the reputation of being. Hoping you reached

Home safely - with my regards to
Fred Ed and Mrs Smith
I remain

Yours very truly

Dear John

Yours of the 26th
to hand, and I understand the importance
of Pooling our stock. Since you left here
they have formed a Mining Exchange and
call stock every morning. Sid Norman has
called Beer at \$1.00 every morning with no
takers. And I doubt think he is the man
to handle Beer, or any other stock Broker
here. I Placed 2,000 S. This week at 1.00
and have the money in Bank and will contribute
you and Fred in for your 1/3 of it - and all
stock sold from now on. and keep a separate
Bank acct. of it. And at our next meeting
we will all show down and decide up.
John I think McLead & Railton would be
the best men here, for we have had luck
with every thing they have attended to for us.

And every one here know they are
reliable. And they will work strictly on 5%
no more or less. Mrs H. & I say you can
depend on them remaining true to the Pool.
I am glad to see you are moving the
Pies. But - I don't agree with you on delaying
the dividends. If you make a small divi
every month the world gets it - the People get
it - the Newspapers tell it - and they will talk
nothing but - Rev. I would suggest - you make
them as often as possible And I will keep
the Papers posted on our totals all the
time and by March 1st - I will push the
stock up. Fred is here enjoying himself -
Capt. Horton starts up tomorrow. And we are
having regular Spring weather camping all
the time our street - are in a bad shape
so there is no pleasure here this Christmas
tell Mrs Smith we missed her very much
Christmas also and & Bay. I will close wishing
you and the Smiths a Happy New Year
and may you live long. your truly S.M. Wood

Dear John

Your notice from
Sid Norman Ned and I can assure
you I will lay no trap to catch you
nor neither will I buy any stock.
I don't like your agt- here and I
don't think he is a suitable person to
handle Beer stock. He calls it- and
talks it- too much, and has not-made
a turn yet. Several men have offered
me \$115- for stock simply to sell to him
and make the difference out- of us.
If you will take it- out- of Brokers hand
I can sell all we will want- to- sell.
Serge & I will be in London on the
1st. Tell Mrs Smith to save us a room
weather here cold but no snow wishing
you well I remain yours S M Whorton
