Dear Sir:-

Your telegram was received while I was away from home, but I am sorry to say we are getting all the lead ore we need at present and would not care to bid on the Reco. The Reco as you know is very high grade and when we have to smelt it for about \$5. per ton the interest eats up the smelting charge so there is actually nothing in it, and we are able to buy ore on which we can get a better margin.

Yours truly,

W. R. Rust

Dear Sirs,

"We received your wire" Ship immediately three tons
best timothy hay answer" to which we replied "Shipping"
"half ton to-day rest on Thursday."

"We had great difficulty in getting you any hay at all
to-day as there is hardly any at all in Nelson but we managed
to get hold of half a ton which we shipped you to-day and as
there are two cars coming in to-morrow will be able to send
you the rest on Thursday."

Are you wanting any ore locks as if so we shall be pleased
to quote you for carloads or smaller quantities.

Yours truly
