Dear Sir

yours to hand of the 7th in the matter of the Cheques
is quite right what you say you did not order the
Cheques to be Engraved, but as you was having all your
other work got out in that time I thought you wanted
the Cheques in the same line you must say they
are very nice and neat job and good stock.
at 5 Dollars for the Engraving & Dollars.
Now I will meet you half way on the Engraving
bringing this will be satisfactory. I will take as
a person if you will unite at once I have some
papers to meet and that would help me. The
samples if you want I have none sent me
see if I can get you what you want and send
them to you. yours truly
J.B. Grant.
